

Report of Operative C.Morgan

Sept. 21st, 1926

Hall-Mills

105.1305 CM/Battle

Operative received instructions from Mr. Thompson and proceeded to the home of Mrs. Meyers, 187 Delovan St. and interviewed her. She stated that she had taken care of one of Mr. Battle's children since it was 11 months old and had only seen Mr. Battle once when she first took the child and he agreed to pay her \$5. a week for the up keep of the baby. She only received \$5. from him and would like to know where he is herself. She stated that Mr. Battle's wife and mother took the child from her through the courts and that she believes they are living in Patterson, N.J. A friend of hers told her that the Battles are living together again and Mrs. Meyers asked me to call back tomorrow and she would try to have some further information for me.

Operative then went to 208 Talmage Street in an attempt to interview Mr. Lapalosa who has a house at the end of Remsen Ave., but could find no one at home. Remained around for some time but no one entered the house. In the evening I again went to Mr. Lapalosa's home and there was no one at home at this time either. Remained around the house until 10 P.M., but no one came to the house and I returned to town where I met Mr. Thompson and reported same.

Respectfully submitted:

C.M.
